Sir:

Applicant received a final office action mailed 12/19/03. Applicant faxed a response to that office action on 2/17/04 (a copy of the first page of the response showing the 1.8 certificate is included herewith along with the fax transmission confirmation sheets). On receiving the advisory action mailed on 5/20/04 applicant noticed that the Examiner had incorrectly marked the advisory action as if the office action reply had been sent more than two months after the mailing date of the final office action. Applicant's attorney contacted the Examiner and pointed out this issue and the Examiner agreed that the advisory action was incorrectly filled out. Applicant's attorney requested that a corrected advisory action be faxed to the Applicant's attorney. To the best of Applicant's attorney's knowledge, no corrected advisory action has been provided.

The rules are quite clear. Applicant only needs a 1 month extension for this notice of appeal. Applicant's attorney authorizes this 1 month extension (\$110.00). In the unlikely circumstance that the PTO believes, in spite of the discussion above and the provided documentation, that an additional extension is required, applicant's attorney also authorizes said extension to keep the application from going abandoned. Please charge the fee for this extension of time, and any other fees which may be required under 37 CFR 1.16, 1.17, 1.21, and 1.136(a) (but not 1.18), to Deposit Account No. 24-0025. *One duplicate of this sheet is enclosed.*

This Petition accompanies a Notice of Appeal in response to said Office Action.

Respectfully requested,
